Sir:

Pursuant to the provisions of 37 C.F.R. Sections 1.56, 1.97 and 1.98, Applicants identify the U.S. patent documents, foreign patent documents and non-patent literature documents listed on the attached Patent and Trademark Office Forms PTO/SB/08A and PTO/SB/08B for consideration during prosecution of the subject patent application. Copies of the cited U.S. patent documents are not attached. Paper copies of the foreign patent documents and the non-patent literature documents are attached.

This statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the examiner of the art cited or an independent search by the examiner, and no representation of any nature is made or intended by the filing of this Statement.

In addition to the art cited on Forms PTO/SB/08A and PTO/SB/08B, Applicants and/or their attorneys may have been exposed to or considered additional art relating to the general class of the subject matter of the invention. However, if in fact such exposure or consideration has occurred, to the best of their recall or judgment, none of such art is prior art which is more relevant than the art cited.

Applicants' attorney sought to file this Supplemental Information Disclosure Statement, Forms PTO/SB/08A and PTO/SB/08B, along with copies of the foreign patent documents and non-patent literature documents via EFS WEB filing. However, the United States Patent and Trademark Office's web site would not accept the electronic copies of the foreign patent documents and non-patent literature documents. Therefore, Applicants' attorney is filing this Supplemental Information Disclosure Statement and Forms PTO/SB/08A and PTO/SB/08B by EFS WEB filing, and is also filing paper copies of this paper and Forms PTO/SB/08A and PTO/SB/08B, along with paper copies of the foreign patent documents and non-patent literature documents, by first class mail.

Respectfully submitted,
